Although seeds of this foundation has been planted in the further past, Yucel Bahce Mobilyalari San. Ve Tic. AS.,owner of 'Rainbow' and 'Delta' brands, was established in 1985. The production of Plastic Garden Furniture has started in early 2002 and Yucel managed to become a pioneer of the industry in few years time. The company kept developing consistently and introduced variety of models in large colour preferences inside its facilities which have been built on 50.000 m2 closed area in Gaziantep, south of Turkey. The company is also continuing its RD and renovation works consistently to develop more items every year. Thanks to our stock rates and high-speed production opportunity, we guarantee fast and on-time delivery as well as ergonomic and aesthetic designs.

Over last three years, Yucel Group has tremendously expanded its product range through Rattan, Wedding, Aluminum series. Today, Yucel Group is able to offer large variety group of products that appeal any level of budget without compromising our quality standards. We provide furniture for resorts, motels, hotels, bars, cafes, restaurants, houses, villas, aqua parks, shopping centers,hospitals, schools besides super chain markets, DIY stores. Having such product range enabled us to export its products over 62 countries and become worldwide known in considerably short amount of time. Objective of Yucel Group is to create values by consistent development in order to satisfy our customer needs as best as we can.

A photograph of an outdoor patio area at dusk. The patio is furnished with several tables and chairs, some of which are covered by large, light-colored umbrellas. The patio is situated on a balcony or terrace overlooking a body of water. In the background, a large ship is visible on the water, and the sky is a deep blue. The overall atmosphere is calm and serene.
